The N.U.in Program Supplemental Guide to Participant Conduct

This supplemental guide establishes the guidelines and processes specific to the NU Bound & N.U.in Program, as they may differ from or incorporate the Northeastern University Code of Student Conduct.

Introduction

As a participant in the NU Bound/N.U.in Program, you are responsible for adhering to the expectations published in Northeastern University's Code of Student Conduct, the policies of your partner institution and/or affiliated facilities, the rules and regulations of your residence facilities, and the guidelines set forth and/or referenced in this supplemental guide. Participants are to uphold the values of honesty, integrity, and respect that are expected of all Northeastern students regardless of where they are in the world. Please note, these guidelines may be amended from time to time, and students will be notified by Northeastern University of these changes. Behavior by participants at any time during the NU Bound or N.U.in Program that is found in violation of the Code of Student Conduct; this supplemental guide; partner institution conduct policies; residence facility regulations; local, state, or federal laws; or laws of the host country could adversely affect the educational mission of the NU Bound or N.U.in Program and Northeastern University or its relationship with the surrounding international community and may subject participants to disciplinary action.

The NU Bound and N.U.in Program seeks to provide participants with an opportunity to have an early academic experience that will increase their intercultural competency, and to form a supportive community that facilitates the transition from high school to college while providing participants with the opportunity to earn academic credit. In addition, the NU Bound and N.U.in Program strive to provide participants with a healthy, supportive, and welcoming community. In those instances where violations of the behavioral expectations set forth in the aforementioned documents occur, the NU Bound Program, N.U.in Program and Northeastern University have developed procedures to address the violations, with the goal of serving the interests of members of the community, individually and collectively.

The NU Bound and N.U.in Program site staff serve as Hearing Administrators and will resolve alleged violations that occur at an NU Bound or N.U.in site and involve an NU Bound or N.U.in participant through an Administrative Hearing. The Office of Student Conduct and Conflict Resolution (OSCCR), in collaboration with Northeastern University Admissions, will resolve alleged violations that occur at an NU Bound or N.U.in site, involve an NU Bound or N.U.in participant, and could involve Dismissal from the NU Bound or N.U.in program and/or rescission of admission to Northeastern University.

Decision-Making Authority

The site staff member serving as the hearing officer, in consultation with the NU Bound and N.U.in Program administration, Northeastern University Admissions staff members, and OSCCR are responsible for and have authority to determine the degree of severity for an offense, findings of responsibility, and potential sanctions, consistent with their policies and procedures.

The NU Bound and N.U.in Program reserves the right to notify parents and/or guardians of participant misconduct, particularly related to drug and alcohol violations, and in other cases consistent with applicable law. For more information, please refer to the NU Bound Program Acknowledgement of Responsibility and Liability Waiver and N.U.in Program Acknowledgement of Responsibility and Liability waiver.

Definition of Hearing Types:

The severity of the alleged violation is considered, as this determines the type of hearing required to resolve the case/complaint.

• **Administrative Hearing (noted as AH throughout):** When the severity of the alleged violation(s) could result in sanctions of Written Warning, Disciplinary Probation, or Deferred Dismissal, involved students will receive a hearing notice requesting their attendance at an Administrative Hearing.

• **Student Conduct Board (noted as SCB throughout):** When the severity of the alleged violation(s) could result in sanctions of Dismissal from the NU Bound Program or N.U.in Program and/or rescission of admission to Northeastern University, or if the facts of the incident are so complex that an Administrative Hearing is not appropriate, staff in OSCCR will send students a hearing notice requesting their attendance at a pre-hearing, which precedes a Student Conduct Board hearing. Pre-hearing meetings and SCB hearings can be completed via telephone or videoconference.

• **Alternate Resolution:** The Office of Student Conduct & Conflict Resolution reserves the right to determine if the incident can be resolved by alternative means. All parties involved must agree to this, as the outcome of this alternate resolution is final, and there may not be subsequent proceedings.

Please note: The University reserves the right to use an Administrative Hearing, if necessary, to expediently resolve cases involving illegal use and/or distribution of drugs, or cases where the safety of the University community is judged to be at risk.

In addition, repeated violations, multiple violations, or the severity of the misconduct may heighten the response and may yield sanctions beyond those discussed in the Code of Student Conduct or beyond the suggested seriousness listed in definitions of hearing types.

Violations

In addition to the violations listed in the Code of Student Conduct, NU Bound and N.U.in participants are held responsible for upholding the following additional policies as they relate to the expectations of specific partner institutions and their affiliated facilities:

Alcohol and Drug Policy

In addition to the Northeastern Code of Student Conduct policies, participants in the NU Bound and N.U.in Programs are required to abide by local laws, as well as partner institutions' and affiliated facilities' policies regarding the possession and consumption of alcohol and drugs. A violation of such laws or policies may constitute a violation of the University's alcohol and/or drug policy. Those who violate those laws/policies will be subject to sanctions in accordance with the Northeastern Code of Student Conduct (AH or SCB).

While the Hearing Administrator and/or SCB have discretion to impose sanctions they determine most appropriate by factoring in the five components listed above, the Code provides sanctioning guidelines for drug and alcohol violations. The sanctions set forth below provide Hearing Administrators with a starting point for sanctioning cases involving alcohol and/or drugs. Depending on the information obtained through the Hearing and the severity of the harm, the imposed sanctions may be enhanced or lessened.
