### Curriculum for the Bouvé College of Health Sciences

This course map outlines the academic program of study, per college and major, for students attending the Fall N.U.in Program. These courses are selected for students who will matriculate into the Bouvé College of Health Sciences. Students will register for classes in June 2020 and will be able to meet with NU academic advisors to finalize their course selection. All students will be enrolled in five classes.

Please note, all courses may be subject to change.

- **NUpath.** The Core Curriculum at Northeastern University. For more information, please refer to the NUpath website: <https://www.northeastern.edu/core/>.
- **Course descriptions.** For a list of course descriptions, please refer to the N.U.in website: <https://www.northeastern.edu/nuin/getting-started/academics-while-abroad/>.
- **Academic advising.** Students should consult their NU academic advising team to confirm how courses apply towards major requirements: <https://www.northeastern.edu/nuin/about/academic-contacts-college/>.
