Curriculum for the Khoury College of Computer Sciences

This course map outlines the academic program of study, per college and major, for students attending the Fall N.U.in Program. These courses are selected for students who will matriculate into the Khoury College of Computer Sciences. Students will register for classes in Summer 2021 and will be able to meet with NU academic advisors to finalize their course selection. *Please note, all courses may be subject to change.*

- **NUpath.** For more information on Northeastern's Core Curriculum, please refer to the NUpath website: <https://www.northeastern.edu/core/>.
- **Course descriptions.** Please refer to the guide on our website: <https://www.northeastern.edu/nuin/getting-started/academics-while-abroad/>
- **Academic Advising.** Given the diversity of majors across academic departments at Khoury, students should consult their NU academic advising team to confirm how courses apply towards major requirements: <https://www.northeastern.edu/nuin/about/academic-contacts-college/>.
