

University College Dublin Curriculum for the College of Science

This course map outlines the academic program of study, per college and major, for students attending the Fall N.U.in Program. These courses are selected for students who will transfer into the College of Science. Students will register for classes in Summer 2021 and will be able to meet with NU academic advisors to finalize their course selection. *Please note, all courses may be subject to change.*

- **NUpath.** For more information on Northeastern's Core Curriculum, please refer to the NUpath website: <https://www.northeastern.edu/core/>.
- Students selecting courses from the Electives section are strongly encouraged to choose a course that carries NUpath not met by major requirements. See list below.
- **Course descriptions.** Please refer to the guide on our website: <https://www.northeastern.edu/nuin/getting-started/academics-while-abroad/>
- **Academic advising.** Students should consult their NU academic advising team to confirm how courses apply towards major requirements: <https://www.northeastern.edu/nuin/about/academic-contacts-college/>.

Majors:

- **Applied Physics**
- **Physics**
- **Physics and Music**
- **Physics and Philosophy**
